The project meeting was held at Kabile’s Community Centre building of the old village school, where the hosting organisation Bulgara Centre for Development organises its activities. The project partners met the leaders of the local community, visited the villages Art Galery “Ivan Kolev” – a famous Bulgarian artist, one of the first in Bulgaria to follow the animalistic line in his art – small and massive sculptures as well as paintings – aquarelles and graphics. The project delegates visited also the Community library – donation of new and old books especially in different languages are more than welcome!

The visit continue with a working meeting at the little conference room, as project objectives.

The working discussion covered the on-going questions on the project implementation.
